

Fig, Arugula & Blue Cheese Salad

Fig week continues with this savory and sweet salad. Salty blue cheese pairs so nicely with sweetness of the figs. The arugula adds a nutty flavor coupled with the crunch of the pecans. One of my favorite salads – and its SUPER simple!

Fig, Arugula & Blue Cheese Salad

What you need:

- 4 cups fresh arugula (I like the leaves whole, but you can tear them into bite-sized pieces)
- 8-10 fresh figs
- $\frac{1}{2}$ cup crumbled gorgonzola cheese
- $\frac{1}{2}$ cup toasted pecan pieces
- Balsamic vinaigrette to taste

How to Do it:

Cut the figs into quarters.

In a large bowl mix arugula, figs, gorgonzola and pecans. Toss in the vinaigrette.

Divide onto four plates and serve.

Makes 4 servings
